Contest entrants must submit an **Entry Form** with each dish entered. Recipes must be neatly typed listing all ingredients and the method of preparation. Use **Recipe Form**. If you are entering more than one recipe please run copies of the Recipe Form page and use one per recipe. Please follow the proper format as shown in forms. Your name will not be seen by the judges. A number will be assigned to each recipe when entry forms and recipes are received by the cooking contest committee.

Entries must be brought two ways: a plated (10" or 12") dish for presentation and judges to taste and a larger dish or platter (approximately 9" x 13" sizes) with enough food for general public tastings. Bring whatever serving ware will be needed to serve your dish.

Dish must be dropped off at the contest site (* see bottom of Entry Form Page) between 10 am - 10:45 am on the morning of the event. Any entries that arrive after 10:45 am will not be accepted. Set-up of your dish must be completed by 11 am.

Each contestant should have their name and contact information taped to the bottom of each dish. Entrants are responsible for pick-up of their dishes, serving ware and any props used, after the contest.

Photo-Op and Judging will be held from 11 am - 12 Noon. Entrants will not be allowed in cooking contest area during judging. Public Tasting starts after the judges finish tasting. We aim for 12:00 noon, but might run a bit later, depending on number of entries.
